

Texas Bottle Bill

*Meet
"Refund"
our new puppy!*

"Refund" is doing his part to return bottles!

Names were sent in from all over Texas and the variety was amazing, but in the end the name that fits best is "Refund."

The winning name was submitted by **Marilyn W.** of Houston. Congratulations Marilyn; and THANK YOU to everyone that wrote in to help name our mascot!

Now it's time for Refund to get to work! He will be combing the local parks and waterways looking for bottles that lost their way; and you can help. During the 4th of July holiday many people will visit the parks and attend public celebrations. Unfortunately, some of these people will NOT remember to take care of their empty beverage containers. *Refund* can't be there to retrieve them all, so we urge you to use the ugly scenes you see to educate your friends and families. Let them know that if we had a refundable deposit system in Texas, they would NOT be seeing so many messy public areas. Then ask them to sign our petition and notify their legislators about their concern. Help *Refund* clean up Texas!

If you capture a "good" picture of the problem feel free to post it to our Facebook page at www.Facebook.com/TexasBottleBill.

Little *Refund* gets tired, but he will never quit working to promote refundable deposits for Texas! In fact, **look for his first official greeting coming out on Thursday.** *Refund* will remind everyone that while you're out at the 4th of July celebrations it will be a good time to spread the word about the [Texas Bottle Bill](http://TexasBottleBill).
